

2022-2023 Verification Worksheet

Your application was selected for review in a process called "verification." In this process, Graceland University will be comparing information from your FAFSA, the verification worksheet and a copy of your Income Tax Transcript if you are unable to complete the IRS data retrieval on your FAFSA. The law says we have the right to ask for this information before awarding Federal aid. If there are differences between your application information and your financial documents, Graceland University may need to make corrections electronically.

Complete this verification worksheet, complete the IRS Data Retrieval process or order your tax transcript and submit to the Graceland University Verification Specialist as soon as possible, to ensure your financial aid won't be delayed. If you need assistance, please contact (641) 784-5427 or myfinancials@graceland.edu.
