By submitting this form, I am informing the Gleazer School of Education that I am purchasing or already own my own iPad that meets the the minimum requirements: iPad (2017 model) with at least 128 GB of memory. Wi-Fi is needed but not cellular service. Note: Some Apple apps available free to students who purchase iPads through Graceland may be an additional cost.

I am aware that opting out of [GUniverse](#) means that I will be assessed the regular technology fee (\$110.00).

I understand:
